## 4th-6th Grade Youth

We had a great time snow-tubing together at Bear Creek Mountain Resort last month—this month we'll be meeting at Atonement for a service project and fun. Hope to see you there!

- \* March 19
- \* \*April 23 (this is actually the 4th Sunday because of Easter)
- \* May 21

Any ideas of what you'd like to do on our future meeting dates? Let Pastor Julie know!

Note that the purpose of LOL is to build Christian community among the 4th-6th graders (and among their parents)! It's an opportunity to get to know some more people at church, have fun, and maybe do some good along the way.
