

Children's Chapel

DURING 11am WORSHIP | JANUARY 7 – FEBRUARY 18

Age 3 – Grade 6

Learn the Lord's Prayer!

Bring your children to 11am worship, where we'll all worship together up until the readings. At that time, children will follow the cross out to the Privacy Room for an age-appropriate activity, while adults also get their age appropriate word and message in worship. Children will return to the worship space during the offering to be with their family for communion. Our focus for this experiment is the Lord's Prayer – so children will come out of the seven weeks having memorized and learned what this prayer means. After the last session, children will have the opportunity to help lead us all as we pray together! Older youth (grades 4-6) can help lead and teach the younger children in the chapel time. Our leader for this 7-week experience is Melissa Hazlett.

Melissa Hazlett

My family, which includes my husband Todd, sons Sam and Callum, and daughters Ella and Kate, have been members of Atonement for 14 years. Prior to having children, I was a public school teacher. After having my children, I taught for a few years here at Atonement Christian Preschool. I have been on the Children's Ministry committee for 11 years and have taught Sunday School for 11 years. I have also been

very active in planning and teaching during Atonement's Vacation Bible School for 11 years. I greatly enjoy engaging with children of all ages, and in addition to working with children and being very active with all my own children's activities, I spend time as Program Director of a local fitness facility and greatly enjoy planning and teaching fitness classes.
