

Children's Chapel

DURING 11am WORSHIP | JANUARY 7 – FEBRUARY 18

Age 3 – Grade 6

Learn the Lord's Prayer!

Bring your children to 11am worship, where we'll all sing a song and pray together. At the time of the readings, children will follow the leader to the Privacy Room for an age-appropriate word and activity, while adults experience God's word and sermon. Children return to their families during the offering. Children will learn all about the Lord's Prayer during these seven weeks.

On February 17, children will lead us in worship as we pray it together! Older youth (grades 4-6) can serve as leaders during the chapel time. Our leader for this 7-week experience is Melissa Hazlett.

Melissa Hazlett

My family, which includes my husband Todd and children Sam, Ella, Callum, and Kate, have been members of Atonement for 14 years. Prior to having children, I was a public school teacher. After having my children, I taught for a few years here at Atonement Christian Preschool. I have been on the Children's Ministry committee and taught Sunday School for 11 years. I have also been very active in planning and teaching during Atonement's Vacation Bible School for 11 years. I greatly enjoy engaging with children of all ages. Currently I am very active with all my own children's activities and spend time as Program Director of a local fitness facility where I enjoy planning and teaching classes.
